

## TELL THE FOREST SERVICE: YELLOWSTONE IS MORE VALUABLE THAN GOLD

Remember the two-year mining time-out we achieved in November? Read about it in the [Bozeman Daily Chronicle](#).

That was a huge success, but it's not over.

We have to let the Forest Service know we want the mineral withdrawal extended for 20 years, and why.

Don't worry! We're making it super easy for you to do this. [CLICK HERE](#) to comment today.

Your comment goes to the Forest Service, but thousands of comments from you (and your friends!) will show the new administration and Congress that you are fired up about protecting your business from the threat of risky gold mines on the border of Yellowstone National Park.

You have until Feb. 21 to comment. [CLICK HERE](#) today, and forward to your friends. Tell the Forest Service: Yellowstone is more valuable than gold.

This month, Wild Joe's Coffee Spot in downtown Bozeman shared photos, maps and the message of YGBC by allowing a window display in their popular downtown Bozeman location. Thanks, Wild Joe's!

## COALITION GROWS TO 300!

We're stronger than ever, with 300 businesses now signed on to the Yellowstone Gateway Business Coalition. We all support YGBC in different ways and for different reasons. As Rich Hohne at Simms Fishing Products said last week, "We're all about protecting habitat that's critical for anglers. Standing up for the Yellowstone River is a no-brainer for us."

Do you know a business that should join YGBC? Help us recruit! Signing up as a member only takes a simple one-time, no cost visit to our [sign-on form](#), or visit our [web site](#).

Please share this opportunity with your fellow business leaders.
